Talega Preparatory Academy is a private school independent study program. As the teacher, the parent is responsible for implementing the student's course of study and returning documentation to the school.

To initiate the registration process, return this Enrollment Application along with the annual tuition and the following documents, all of which are available on the Forms page at www.talegaprep.com:

- Teacher Statement
- Course of Study
- Records Transfer

We will e-mail you an enrollment confirmation upon receipt of these materials, and your child will be officially enrolled at Talega Prep. We will:

- maintain your child's cumulative school record
- request your child's records from previously attended school
- provide a sample letter to withdraw student from current school
- verify enrollment
- retain attendance documentation
- maintain immunization and health records
- provide transcripts for students in grades 9 through 12
- provide teacher and student ID cards
